Grooming and Appearance Standards Revised 6/2010

The purpose of this Operational Policy is to clarify the proper grooming and dress code standards for all Staff Pro employees. Complete agreement to the following guidelines (front & back of this paper) is a pre-requisite for employment.

The appearance of each Team Member adds to the overall presentation and impression at each venue. **You will be required to adhere to Staff Pro's Grooming and Appearance Standards and may be requested to make changes in your personal grooming and appearance (hairstyle, makeup, and nails) in order to conform with these standards and to maintain a crisp, professional, and polished appearance.**

UNIFORMS- Uniforms must be clean, neat, and ironed at all times. It is your responsibility to make sure that your uniform, and your overall appearance, is in compliance with this policy. Should you have any questions or need clarification, please contact your scheduling manager or the HR Department.

The only pins or decorations that can be worn on uniforms are Staff Pro issued nametags, pins, or badges issued by Staff Pro.

Staff Pro will issue a uniform at each event. The uniform is the property of Staff Pro and is not to be abused or worn except under the scope of employment. It is the employee's responsibility to return issued uniforms at the end of the event.

Employees must return all Staff Pro property immediately upon request or termination of employment. Where permitted by applicable laws, Staff Pro may withhold from the employee's check or final paycheck the cost of any items that are not returned when required.

PANTS: Must be Dark Solid Khaki color. No ankle length (no Capri's or shorts) All pants must be a professional fit (meaning nothing tight fitting/clingy or too baggy). Additionally, all pants must be made with the same fabric or fabric similar to that of "Dockers" brands to ensure consistency with all employee uniforms. In other words, the pants should be able to be starched if necessary and this would eliminate pants that are leggings, stretchy materials, or linen. These are NOT uniform and not permitted.

HAIR COLORING: Staff Pro will not permit unnatural dyeing, bleaching, or tinting of hair. Complimentary highlighting is acceptable. The following colors are not acceptable in hair: pink, blue, bright red, green, purple, yellow, orange, teal, magenta, etc.

TATTOOS: Visible tattoos are unacceptable and must be covered at all times. **No tattoos on neck, face or hands. A visible tattoo is one that is not covered by the uniform.**

SHOES: Employees in uniform, unless otherwise instructed, are required to wear plain closed heel and closed toe ALL black shoes with ALL black shoelaces, slip resistant soles recommended. Plain **ALL black** socks are also required. When wearing the "Coat and Tie" or "Sweater and Tie" uniform, employees are required to wear a professional looking work shoe (i.e. something that can be shined/polished) Please make sure all shoes worn while working are slip resistant, closed toe/closed heel, flat (meaning no high heels), and are either professional looking work shoes, or appropriate walking shoes. Sandals, Steel toed, Crocs, Uggs, or other non-professional looking work shoes are strictly prohibited. Note: Should you elect to wear a solid black tennis shoe, it is to be professional in appearance and consideration should be paid to ensure that the shoe does not "dress down" or take away from the professional look of the "Coat and Tie" or "Sweater and Tie" uniform. Shoes that do not look professional with either uniform will not be permitted.

HATS & FANNY PACKS: Only approved Staff Pro issued hats may be worn with your uniform. Fanny Packs are not allowed unless provided as part of your uniform for positions such as a parking attendant to secure money and tickets.

MEDICAL OR COSMETIC EXCEPTIONS: Exceptions will be made for wigs, hair containment, and shoes if for medical or cosmetic purposes.

CELL PHONES/PAGERS/PERSONAL ELECTRONIC DEVICES: These are not permitted to be used while on duty. Cell phones and pagers must be left off while on post. The camera function is *strictly* prohibited.

HAIR: A neat, natural haircut and a clean shave are essential. The hair is to be neatly cut and tapered so that it does not extend beyond or cover any part of the ear. **For Male Team Members** - putting your hair behind the ear is not acceptable nor can the hair stick out over the shirt collar. **For Female Team Members** - Hair must be neatly combed and arranged in an attractive, easy to maintain style. If hair is teased, it should be kept to a minimum and should be for body and shape only. Those women who prefer long hair should take special care to keep it neat and well styled. Hair below shoulder length must be combed away from the face so that it will not fall forward or cover the face while performing normal job duties. Cornrows, mohawks, "twisty", and high-spikes are not permitted. Well maintained dreadlocks are permitted for women.

HAIR CONFINEMENT AND ACCESSORIES FOR WOMEN: The following accessories are acceptable: a plain barrette, rubber band, comb, or headband without ornamentation of any kind, including bows. **Nothing other than the above the mentioned hair accessories are allowed to be worn in the hair and this includes beads, bells, shells, etc.**

SIDEBURNS: Should be neatly trimmed and may be permitted to extend to the ear hole, following their natural contour. **Flares or muttonchops are not permitted.**

MUSTACHES: These are permitted if they are maintained in a neatly trimmed manner and do not extend below the corner of the mouth.

BEARDS/GOATEE'S: These must be neatly established and maintained. Beards and/or goatee's are acceptable. However, the Honda Center does not allow beards.

SHAVE: A clean shaved face is essential for those who do not have a neatly established and maintained beard and/or goatee.

FINGERNAILS: Clean, presentable fingernails are a must. **Nail care for men** - must be clean and well groomed. **No polish is permitted;** buff is permitted. Nail length should be short, never extending past fingertip. **Nail care for women - Fingernail tips should not extend one half inch beyond the fingertip (Not only for appearance, but also for safety reasons).** Polish is to be a solid color. No blue, black, orange, purple, or green polish colors. No designs, other than French manicures, are allowed on fingernails. Nail jewelry is not permitted.

AFTERSHAVE, COLOGNE, PERFUME & DEODORANT: Due to close contact with guests and fellow team members, **the use of a deodorant or antiperspirant is required.** The use of heavy cologne and perfume should be avoided.

JEWELRY: Staff Pro strongly discourages wearing jewelry at events. However, wedding bands and wristwatches are permitted. Only one ring per hand, which may be worn on any finger, is allowed. Female team members may elect to wear a single, matching set of stud style earrings. Hoop or other styles are not permitted. **NO EAR OR NOSE PLUGS, TONGUE RINGS, FACIAL PIERCINGS, NECKLACES, BRACELETS, ANKLETS, OR DENTAL JEWELRY OF ANY KIND ARE PERMITTED. Band-Aids used to cover piercings or tattoos are not acceptable.**

Staff Pro understands that style and professionalism is subjective; therefore, Staff Pro reserves the right to council all team members on what is and what is not acceptable in regards to grooming and appearance. Those team members who are not in compliance with our grooming and appearance standards may face disciplinary action up to and including termination.
